Dear Anthony,

Reference: Sale of G Taylor Electrical Ltd

I write to thank you for your professional and friendly manner in respect of the recent sale of G Taylor Electrical Limited, although we have been in a strange place with the Coronavirus Pandemic, you and your team managed to remain focused on providing excellent service and communication throughout the process, resulting in a sale of the business, and I would have no hesitation in recommending your services.

Once again, Thank You

Yours sincerely

Gary Taylor
Managing Director
