Sale of Elysium Supported Living Ltd

Dear Anthony

We wanted to extend my sincere thanks to you and Scott Riley for the energy and investment that you put in to selling our business.

The shareholders and me felt reassured from the first meeting with yourself and we are pleased that we trusted our instincts.

You and your team made yourselves available to us throughout the process, keeping us well informed and communicating efficiently. This contact and reassurance helped to ensure that a potentially stressful process was managed in a calm and logical way.

We all feel that we received a very personal and specific service from your team; which was important to us given the nature of the business and the need to manage the process in a confidential and service focussed way.

We wish you all the best for the future and thanks again for helping us to realise our wishes in the sale of our business.

Yours truly,

Tanya Pannett
Founder of Elysium Supported Living
